During your CSHAC Meeting(s):

- ☐ Create Measurable Goals/Objectives
 - Identify the areas of the district LWP that should have measurable goals/objectives: such as nutrition education, nutrition promotion, physical activity, or other-school based activities that promote wellness.
 - Note: use your SC Healthy Schools Assessment results to create goals.
 - Identify at least one measurable goal for each of the above four areas.

 - Use Healthier Generations Action Center to document goals.
 - Invite your state liaison or a member of the STAT to be a member to sit in on this meeting or to join you virtually.

After your CSHAC Meeting:

- ☐ If you need to update your LWP contact person, please do so by sending the information to wellnesspolicy@ed.sc.gov.
- ☐ If you are doing something exciting with LWP please share it with wellnesspolicy@ed.sc.gov to highlight in future communications and to connect with a STAT member
- ☐ Visit SCDE's LWP Webpage
